

Taj Ibne Masud

Phone: +880 16255 87701

Email: sajonwdd72566@gmail.com

Location: Dhaka, Bangladesh

PROFESSIONAL SUMMARY

Front-End Web Designer & Developer skilled in creating modern, responsive, and user-focused websites using HTML, CSS, JavaScript, React and UI/UX best practices. I specialize in building clean, functional, and high performing digital experiences—including landing pages, portfolio websites, and e-commerce-style layouts. I am known for strong **problem solving** abilities, attention to detail, and clear communication, ensuring every project is visually appealing, optimized, and aligned with client goals.
